AWARDS AND RATINGS

Houghton C.W. Ferguson Cabernet Sauvignon Malbec 2021

95 Points- *"A rich and plush red with high-quality, fine-grained tannin, ebullient and evocative dark fruit, earth, sweet herb and spicy elements, the palate similarly styled but with more detail of clove, ginger biscuit, oak elements, chocolate and cassis, dried Italianate herbal notes and some briny mineral qualities. Tannins are open-weave yet provide fringes and a gentle sense of succulence, keeping the rich, muscular fruit and spicy oak characters in check. Very seductive to drink, palate-staining and generous yet with a sense of restraint. To be applauded and drunk with gusto."* - Halliday Companion Mike Bennie Published 07 August 2024
