Houghton Thomas Yule Shiraz 2020

96 Points by Ray Jordan in the Wine Pilot 2023 *"A bright and brilliant Shiraz from Frankland River. Dominant chalky iron stone and slightly rusty nail characters are a strong statement of the region. It's a firmer style of Shiraz with fine sinewy tannins and plenty of oak harmonising and integrating. Lovely mix of spicy licorice with a blue fruit and dark plum influence. Excellent wine now or for extend cellaring."*

95 Points by Aaron Basher in the The Real Review 2023 *"Inky, dark and opaque in the glass. Lifted aromas of nutty, sweet oak, boysenberry, mulberry, graphite, mocha and a whiff of eucalyptus. Full flavoured, muscular, dark fruited and rich on the palate, lashings of sweet satsuma plum, dark cherry, oak and spice. Firm tannins and bright acidity bring plenty of mouthfeel and brightness. Built for the long haul."*
